Engineered for Fulfillment

Flextur Packing Station Accessory Kit

The Flextur™ Packaging Station Accessory Kits are the ultimate upgrade for your Flextur Steel Packing Station. Designed to maximize functionality and organization, this comprehensive kits equip your station with everything you need to streamline your packing process.

Included in the kits are durable, high-quality accessories that mount securely to Flextur's integrated metal pegboard/tool board panels. As a result, you can keep tools, supplies, and parts easily accessible and well-organized, boosting productivity and minimizing clutter.

Moreover, the Packing Station Accessory Kits offer the flexibility to adapt to your changing needs. Each component is also available individually, allowing you to expand or customize your setup over time. Whether you're handling high-volume fulfillment or daily packaging tasks, this kit helps create an efficient, ergonomic workspace. American Made in Dalton, Ohio U.S.A
