A more excellent way to work.

Workbench

Built to Work

Flextur Stationary Workbench/Pack Table - 72” x 28”

Heavy-Duty Workbench with 14-Gauge Steel Top

The Flextur™ 72"W x 28"D x 35"H Stationary Workbench / Pack Table delivers industrial-strength durability and practical workspace efficiency. With a powder-coated 14-gauge steel worksurface, this bench supports up to 2,000 lbs—ideal for demanding applications in packing, assembly, and manufacturing environments. A full bottom shelf adds accessible storage, and leveling glides keep the worksurface stable on uneven floors.

This workbench is predrilled for the Flextur Tool Board Kit and compatible with Flextur Tool Board Panels and Accessories (sold separately) for customized organization. Made in the USA – Dalton, Ohio.
