

# Flexible Welding Protection

## Flextur Pin & Clamp Weld Curtain

Designed for Pin & Clamp Tables. This curtain is designed with a 5/8" peg that drops into a welding tabletop. This curtain can then pivot or swing in and out of the way. It is also extremely easy to relocate by simply moving to a new hole or pin location. Features Include: 40" wide x 23" high curtain, lightweight, easy to position design, and it works on any 5/8" or 16mm hole size welding table. Patent pending. American Made in Dalton, Ohio U.S.A.

### Technical Specifications

- **Dimensions:** 40" L x 1" W x 23" H
- **Material:** Steel Frame with Plastic Curtain
