

Flextur Testimonials

"Our QC guy is very pleased with how bus walls come off as they laminate the walls with a thin skin and offset at the joints show up... We're really appreciating our Flextur products."

John Martin,
Owner, Southwest Welding

"Mobility is key. We are on tight space and being able to roll our tools in and out based on what we are doing is a game changer, even cleaning up is easier."

Conrad Schrock,
Rockwood

"We've probably made over a million dollars worth of products on this table, and have only scratched the surface, literally. Don't think about it. Just get one."

Chris Foster
Owner, FosterWeld

"It creates a sense of pride for my guys to create their own workstations and yet it's one standardized system throughout the shop. My guys love them."

**Dave Ligget,
Production Manager**

"Excelent Versitility, with the 2" grid pattern they are able to accurately meet every dimensional requirements of our weldments. We've been able to hold tolerances not only on flatwork but vertical weldments as well by utilizing fixture blocks. We're Very Happy... Very Happy with our Flextur Tables."

**John Jesse,
Quality Control Manager, Southwest Welding**
